Please understand that information you provide regarding current and previous employers may be used and those employers will be contacted for the purpose of investigating your safety performance history as required by 49 CFR 391. 23 (d), (e), (i) (1) and (2)

The prospective employer must expressly notify drivers with Department of Transportation regulated employment during the preceding three years - via the application form or other written document prior to any hiring decision - that he or she has the following rights regarding the investigative information that will be provided to the prospective employer pursuant to paragraphs (d) and (e) of this section:

- (i) The right to review information provided by previous employers;
- (ii) The right to have errors in the information corrected by the previous employer and for that previous employer to re-send the corrected information to the prospective employer;
- (iii) The right to have a rebuttal statement attached to the alleged erroneous information, if the previous employer and the driver cannot agree on the accuracy of the information.

(2) Drivers who have previous Department of Transportation regulated employment history in the preceding three years, and wish to review previous employer-providing investigative information must submit a written request to the prospective employer, which may be done at any time, including when applying, or as late as 30 days after being employed or being notified of denial of employment. The prospective employer must provide this information to the applicant within five (5) business days of receiving the written request. If the prospective employer has not yet received the requested information from the previous employer(s), then the five-business day's deadline will begin when the prospective employer receives the requested safety performance history information. If the driver has not arranged to pick up or receive the requested records within thirty (30) days of the prospective employer making them available, the prospective motor carrier may consider the driver to have waived his/her request to review the records.

CERTIFICATION OF COMPLIANCE WITH DRIVER LICENSE REQUIREMENTS

MOTOR CARRIER INSTRUCTIONS: The requirements in Part 383 apply to every driver who operates in intrastate, interstate, or foreign commerce and operates a vehicle weighing 26,001 pounds or more, can transport more than 15 people, or transports hazardous materials that require placarding.

The requirements in Part 391 apply to every driver who operates in interstate commerce and operates a vehicle weighing 10,001 pounds or more, can transport more than 15 people, or transports hazardous materials that require placarding.

DRIVER REQUIREMENTS: Parts 383 and 391 of the Federal Motor Carrier Safety Regulations contain some requirements that you as a driver must comply with. These requirements are in effect as of July 1, 1987. They are as follows:

- 1) **POSSESS ONLY ONE LICENSE:** You, as a commercial motor vehicle driver, may not possess more than one motor vehicle operator's license.

If you have more than one license, keep the license from your state of residence and return the additional licenses to the states that issued them. DESTROYING a license does not close the record in the state that issued it; you must notify the state. If a multiple license has been lost, stolen, or destroyed, close your record by notifying the state of issuance that you no longer want to be licensed by that state.

- 2) **NOTIFICATION OF LICENSE SUSPENSION, REVOCATION OR CANCELLATION:** Sections 392.42 and 383.33 of the Federal Motor Carrier Safety Regulations require that you notify your employer the NEXT BUSINESS DAY of any revocation or suspension of your driver's license. In addition, Section 383.31 requires that anytime you violate a state or local traffic law (other than parking), you must report it within 30 days to: 1) your employing motor carrier, and 2) the state that issued your license (If the violation occurs in a state other than the one which issued your license). The notification to both the employer and the state must be in writing.

The following license is the only one I will possess:

Driver's License No. _____ State _____ Exp. Date _____

Driver Certification: I certify that I have read and understood the above requirements.
